#### COVID RECOVERY - OVERALL AIMS - FROM SIP

##### AIM 1

To improve outcomes for all groups of learners in reading, writing and maths

##### AIM 2

Embed Early reading and the reading culture across the school

##### AIM 3

Embed the Growth Mindset approach to learning to develop strong values and resilient attitudes to learning

##### AIM 4

Embed our new curriculum, and ensure high quality CPD for staff to develop their curriculum expertise and support the changes in expectation

## Barriers to learning

BARRIERS TO FUTURE ATTAINMENT	
Academic barriers:	
A	Behaviour for learning/Social and Emotional behaviour catch up
B	Poor basic core skills - handwriting, spelling of high frequency words, basic sentence punctuation, times tables recall, basic addition & subtraction fact recall and reading fluency relevant to age
C	Gaps in learning due to missed learning during school closure

ADDITIONAL BARRIERS	
External barriers:	
D	Levels of absence through isolation impacting on individual children and bubble closure
E	Parental engagement in remote learning and school life under new restrictions (connectivity, availability of suitable devices)

A-F	To provide 34 more Chrome books plus 2 charging units of KS2 to support Catch Up Learning Programmes & support Remote Learning/Google Classroom proficiency	Basic skills work is boosted by wider and greater access to programmes The ability of the pupils to engage in remote learning is enhance and strengthened through the ability to use google classroom	For all of our pupils, there are gaps in their learning which have been widened following the COVID lockdowns. We want to support as many pupils as possible. Having extra chrome books across KS2 will allow teachers to supplement lessons with extra practice at an array of programmes such as TT Rock Stars, reading plus . Extra chrome books will also give us extra ability to prepare pupils in the ways of remote learning, if/when there are further lockdowns.
